Dear Percussion Students and Families:

Percussion students are required to supply their own sticks and mallets in middle school. To a percussionist, the sticks and mallets are part of their personal “instrument”, and are necessary for the student to progress. Each student should also have a stick bag to carry these in. This stick bag is designed to hold a variety of mallets and drum sticks that percussionists use. I have also found percussion students will take better care of these sticks if they own them rather than leaving them all over the back of the band room for others to step on and break. It is my goal that by the time these musicians get to high school, they will own the basic set of mallets and sticks for a high school percussionist. See the table below for what sticks and mallets by grade students should have. If your family has purchased a “Percussion Kit” in 5th or 6th grade, the sticks and mallets contained will be OK for 6th Grade. The percussion kit does not need to be brought to school and will serve as the practice instrument at home.

6 th Grade Use the sticks and mallets that came with the Percussion Kit	Stick Bag, Drum Sticks (size 5B), Hard Rubber Bell Mallets
7 th Grade	Stick Bag, Drum Sticks (size 5B), Hard Rubber Bell Mallets, Timpani Mallets
8 th Grade	Stick Bag, Drum Sticks (size 5B), Hard Rubber Bell Mallets, Timpani Mallets, Medium Yarn mallets,
